

which to grow and develop. Generous contributions from individuals, churches, businesses, and foundations, as well as reimbursement by the Texas Department of Protective and Regulatory Services, provide the funding for Texas Boys Ranch. A recent capital campaign led to a much needed renovation project of cottages, dining facilities and infrastructure at the Ranch. The Silver Anniversary Telethon is yet another opportunity for the community to help the Texas Boys Ranch in influencing the lives of young men.

At a time in our nation when young people have more obstacles and challenges growing up, and fewer quality role models, Texas Boys Ranch serves as a positive and stabilizing force in the lives in many young men. The success story of Texas Boys Ranch demonstrates how communities can come together and reach out to the needs of our young boys.

**SERVICE 1ST CREDIT UNION  
CELEBRATES 25TH ANNIVERSARY**

**HON. PAUL E. KANJORSKI**

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, July 18, 2000*

Mr. KANJORSKI. Mr. Speaker, I rise today to pay tribute to the members and employees of the Service 1st Federal Credit Union in Danville, Pennsylvania, on the occasion of the credit union's upcoming 25th anniversary.

Service 1st was originally known as Geisinger Federal Credit Union when it was founded in August, 1975, by several employees of Geisinger Medical Center who saw the need to provide a financial services alternative to their fellow workers. The name change was made to reflect the expanded field of membership and the credit union's commitment to all of its members.

Over the years, the credit union has grown into a full-service financial institution with membership expanded well beyond the employees of the Geisinger Health System. With branches in Wilkes-Barre, Lewisburg and Selinsgrove, Service 1st now provides service to more than 150 employee groups, including workers at Bucknell University, Susquehanna University, and Tri-County Farm and Home Supply.

Service 1st also has a unique program, headed by Kathy Linn, chair of the board, that allows students at Danville Area High School to join and work in a branch that is based right in the high school.

Service 1st has come a long way since its founding 25 years ago and is now a well-established credit union with more than 13,000 members and more than 450 million in assets. In June, Service 1st opened its new headquarters in Danville at 1027 Bloom St., complete with a drive-up ATM and drive-through teller service as well as expanded business hours inside the lobby.

Mr. Speaker, Service 1st and its strong commitment to its members serve as a good example of why I and others in the Congress worked to enact the Credit Union Membership Access Act that President Clinton signed into law in 1998. Credit unions serve an important purpose as a non-profit provider of financial services to millions of Americans.

Pennsylvania in particular has the highest proportion of credit union membership of any

state in the nation, with one out of every four Pennsylvanians belonging to a credit union.

I send my best wishes to the members and employees of the Service 1st Federal Credit Union on their 25th anniversary and my wishes for continued success.

Mr. SCHAFFER. Mr. Speaker, today I honor Denver's National Jewish Medical and Research Center. For the third straight year, U.S. News & World Report has rated National Jewish as the top hospital in the United States for treatment of respiratory disorders.

Denver's National Jewish Medical and Research Center, one of the preeminent health care institutions in the world, has also proven itself to be a global leader in the research and treatment of lung, allergy and immune diseases. Recently, National Jewish completed its centennial celebration, ushering in a second century of providing health care, comfort, education and hope to both children and adults suffering from asthma, emphysema, tuberculosis, severe allergies and autoimmune diseases, such as lupus.
